Agreement Form

1. GENERAL AGREEMENT

As an authorized representative of

_____ (“Customer”), a PNM customer eligible for participation in the PNM Building Operator Certification (“BOC”) Tuition Reimbursement Program (the “Program”), I certify that the BOC course in which Customer’s employee _____ (the “Applicant”) has or will be enrolled is a course that has been approved by the New Mexico licensed BOC program and commenced or commences on or after June 1, 2014. I have attached documentation including the applicable invoice establishing proof of payment for the Applicant’s BOC course, which was provided by the administrator of the local New Mexico licensed BOC program (the “Administrator”), along with documentation verifying Applicant’s attendance and a completed BOC application form for that employee Applicant. In the event that Applicant has not yet attended the BOC course, I certify that I will submit these required supporting documents and completed BOC application form within 30 days after the date of completion of the course. I further certify that the tuition costs identified in this agreement and the supporting documents are correct and represent the actual costs paid by Customer to the Administrator for Applicant’s attendance of the BOC course. I am aware that there may be additional documentation requirements, which can be found in the Policy and Procedures Manual located on the program website PNM.com/bizrebates or can be ordered by calling 877-607-0741.

2. PRE APPROVAL

In order for Applicant to be eligible for the Program, the Applicant must have submitted a pre-application form and have been approved by PNM for the Program prior to BOC course commencement.

3. CUSTOMER ELIGIBILITY

I understand that in order for the Customer to qualify for the Program, the meter for which Customer desires to obtain energy savings, as a result of participation in the Program, must be on one of the Program eligible rate schedules, as set forth below:

PNM Tariffs:

- 2A, 2B, 3B, 3C, 4B, 5B, 11B
- Large Service for Public Universities 15B

- Large Service for Manufacturing 17B
- Special Contract Service for Large Customers 23
- Large Service for Manufacturing- Distribution Level 30B

Furthermore, I certify that the Applicant is a building operator or engineer employed by Customer who:

a. Operates an eligible building type within the PNM service territory. Eligible building types include:

- Municipal, K-12 School, College and University
- Large Industrial
- Hospital

b. Has at least two (2) years of experience in building operations & management;

c. Is not currently credentialed as a BOC trainee;

d. Operates building facilities where combined square footage is at least 50,000 ft²;

e. Shows proof of class completion by obtaining the course certification;

f. Will attend the PNM program overview session, conducted during the BOC training course, in order to become familiar with all PNM Business Energy Efficiency program offerings; and

g. Commits to working in partnership with the PNM Business Energy Efficiency team on energy efficiency projects within the facility managed or operated by Applicant.

4. REGISTRATION AND COMPLETION

I understand that in addition to and separate from entering into this agreement, I must register Applicant for the Program with the local New Mexico licensed BOC course Administrator. Furthermore, I agree to follow, and agree to ensure that Applicant follows all BOC course requirements as put forth by the Administrator.

I understand that the Program eligible BOC course must be completed in coordination with the Administrator within six (6) months of the date on which Applicant is pre-approved by PNM. Customer may only submit one application per employee

¹Customer will be required to execute a separate agreement for each of Customer’s employee Applicants.

Agreement Form (cont.)

applicant, but may submit multiple applications for different employee applicants if Customer wishes to have more than one employee participate in the Program. I agree to submit invoice and course completion documentation to the the PNM Business Energy Efficiency team at energyefficiency@PNM.com or 320 Gold Avenue SW, Suite 600, Albuquerque, NM 87102 within 30 days of course completion. I understand that if I fail to submit timely documentation, incentive payment may be denied.

5. TRAINING COURSE COSTS

I understand that I am responsible to pay the Administrator in full for all costs associated with the BOC course. I agree to provide copies of all invoices or other reasonable documentation that verify the costs of Applicant's attendance and completion of the training course.

6. INCENTIVE AMOUNTS AND SCHEDULE

Incentive payment will be subject to the following limitations:

- a. The maximum incentive per application is \$1,500, up to 100% of tuition costs, whichever is less.
- b. Tuition as defined by this agreement does not include costs incurred by the Applicant or Customer for books, materials, travel or any other indirect expenses related to enrollment of Applicant in and/or attendance by Applicant of the BOC course.
- c. PNM reserves the right to deny any incentive application that may result in PNM exceeding its Program budget.
- d. Incentives under the Program are offered on a first-come, first served basis and are subject to Applicant eligibility, Customer eligibility and availability of funds.

PNM intends to pay Customer the Program incentive within four (4) to six (6) weeks after PNM's receipt of all required documents, including this agreement, signed by an authorized representative of Customer, and all required supporting documentation.

7. I understand that any and all environmental credits generated by the Program described herein will be retained by PNM.

8. I certify that the information herein is true and correct, and that the Taxpayer ID Number specified herein is the Customer's. I understand that incentive payments assume related energy benefits over a period of 5 years.

9. Customer understands that it may be recognized as a Program participant in PNM promotional materials; Customer agrees that if Customer desires to opt-out of any such recognition, Customer will do so in writing by submitting a letter to the Program office.

10. I understand that the Program is subject to change or cancellation at any time and without notice. PNM is not responsible for any lost, late, stolen, ineligible, illegible, misdirected or postage-due mail. I understand that all completed submissions become the property of PNM and will not be returned, and that PNM makes no guarantees about the availability of products or rebate forms. By participating in the PNM Program, I agree to waive any claims and release PNM and its third party program administrator, DNV GL Energy Services USA, Inc., from any liability for damages of any kind. I understand that incentive payments are funded through a charge on PNM electric customer bills.

11. I understand that by participating in the Program, I hereby hold harmless PNM and DNV GL Energy Services USA, Inc. and release them from any and all claims, demands, injuries and damages that I, or a third party, may incur or sustain as a result of my participation in the Program. PNM and DNV GL Energy Services USA, Inc. shall have no liability whatsoever for any and all actual or alleged claims, demands, injuries or injuries, including third party claims, arising from or in any way related to Customer or Applicant's participation in the Program.

I have read and understand the Program requirements and terms and conditions set forth in this agreement and agree to abide by those requirements. Furthermore, I understand and agree that Customer and Applicant must both meet all eligibility criteria in order for an incentive to be paid to Customer under this Program.
