

Ready to lift up your business? PNM can help.

The **PNM Business UpLift Pilot Program** assists economically disadvantaged and vulnerable businesses in Albuquerque by providing financial incentives for approved equipment upgrades that enhance energy efficiency and improve operational safety.

Business UpLift Rebate Measures

- **Commercial Kitchen Appliances:** ENERGY STAR-certified ovens, fryers, refrigerators, and dishwashers.
- **Lighting and Controls:** Interior and exterior DLC or ENERGY STAR-certified LED lighting, lighting fixture controls, i.e., daylighting and occupancy sensors, and LED exit and open signs.
- **HVAC Equipment:** Electric heating and cooling systems (including mini-splits and chillers), and smart and programmable thermostats.
- **Plumbing:** Low-flow faucet aerators and showerheads (if electric water heating).

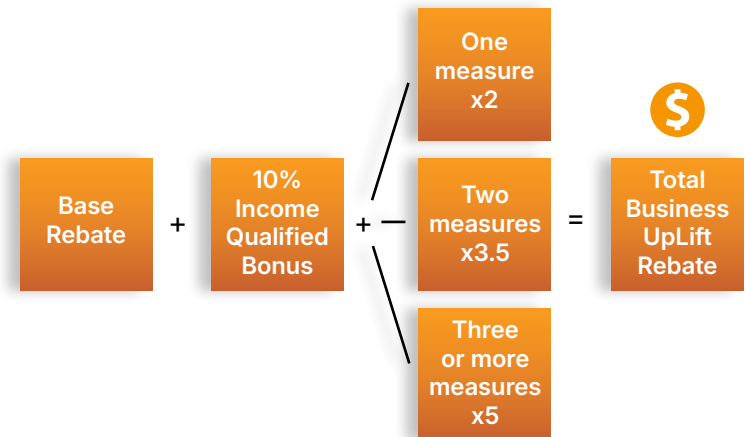

Plus **electric vehicle chargers** through the Transportation Electrification Program.

Get ready for your makeover.

Eligible participants must meet all of the following criteria:

1. Qualified to participate in existing PNM Business Energy Efficiency Programs for commercial retrofit, new construction, or renovation.
2. Business is located within a City of Albuquerque's Metropolitan Redevelopment Agency (MRA) zone.
3. Small business with fewer than 100 employees in New Mexico. (Local franchisees of multi-state brands may be eligible.)
4. Business that primarily serves the local community.

All PNM rebates are processed on a first-come, first-served basis and are subject to change at any time, for any reason, and without notice.

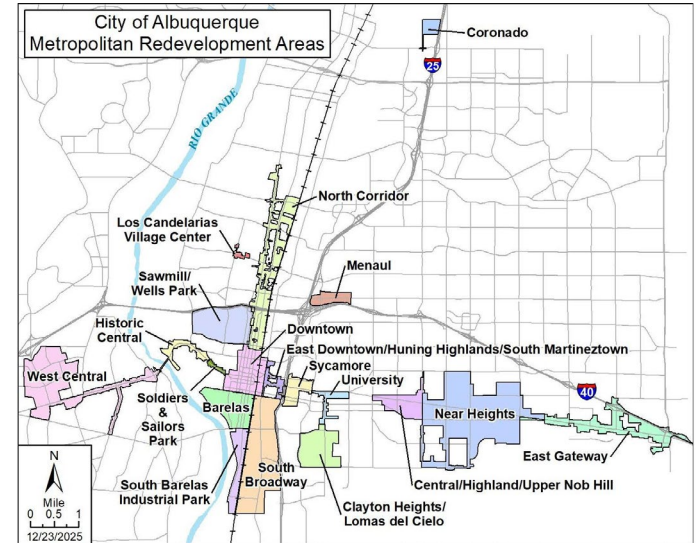

Application deadline: 5pm MT, Friday, October 16, 2026.
