PNM Distributor Discount Program

HVAC and Food Service Equipment

The PNM Distributor Discount Program offers instant savings on high-efficiency HVAC and food service equipment.

Instant savings are a breath of fresh air

As an Authorized Distributor, your customers can save money instantly on qualifying HVAC and food service equipment.

Simply sell eligible high-efficiency equipment to a PNM commercial or industrial customer. The customer receives a “rebate” as an instant discount at the time of purchase – and doesn’t have to complete any paperwork. PNM pays the rebate directly to the distributor.

What equipment is eligible for a rebate?

A variety of equipment qualifies, including the common HVAC and food service equipment listed below. You may also recommend equipment not listed here and our team will review for eligibility.

Qualifying equipment includes:

- Packaged Terminal Air Conditioners (PTAC)
- Packaged Terminal Heat Pumps (PTHP)
- Packaged and Split System AC Units
- Packaged and Split System Heat Pumps
- Variable Refrigerant Flow Systems
- ENERGY STAR® Solid Door Refrigerator and Reach-In Freezer
- ENERGY STAR® Glass Door Refrigerator and Reach-In Freezer
- Energy Efficient Ice Machines
- ENERGY STAR® Combination Oven
- ENERGY STAR® Convection Oven
- ENERGY STAR® Electric Steam Cooker
- ENERGY STAR® Commercial Vat Fryer
- ENERGY STAR® Hot Food Holding Cabinet

Why should I become an Authorized Distributor?

When you become an Authorized Distributor, both you and your customers can benefit.

As an Authorized Distributor, you can:

- Sell more competitively and increase revenue
- Promote and upsell advanced technology and refrigerants
- Receive a bonus for all qualified equipment sold

Customers benefit from:

- Immediate savings at the counter with no forms or applications to complete
- Higher performance equipment with reduced maintenance
- Long-term energy bill savings

Becoming an Authorized Distributor is easy!

1. Complete the Distributor Participation Agreement
2. Carry high-efficiency equipment from the Approved Products List
3. Attend a Distributor Discount training

Learn More

To learn more and become an Authorized Distributor, schedule a meeting with our team to get personalized training on the program requirements and processes. Refer to the Program Quick Look for current rebate information.
